

**THE STORY** Cameron is named after the youngest member of the Fisher Vineyards family, Cameron Nelson Fisher, and appropriately comes from our younger vines ranging from 6 to 10 years of age on our Napa Valley Estate at the foot of the Palisades Mountains in Calistoga. We are proud to present a blend of the powerful precocious wines made from these vineyards, with an overwhelming sense of exuberance that is ready to impress!

#### THE WINE

- 100% Cabernet Sauvignon
- Aged 20 months in 100% French oak, 80% new
- Alcohol by volume 14.7%
- Bottle date: September 2008
- 450 cases produced

#### WINERY TASTING NOTES

Beautiful dark garnet color. Aromas of dark brandied cherry, and ripe plum along with a hint of herbs de Provence. Deep powerful concentrated black fruit lends weight on the palate with firm acid structure and lush layered tannins. The finish continues offering flavors of dark cherries, fresh cocoa and toffee.

#### REVIEWS

One of the finest 2006s is the 2006 Cameron Proprietary Red. Made from 100% Cabernet Sauvignon, it reveals silky tannins as well as plush red and black currant fruit interwoven with dusty, loamy soil, spice box, and a hint of tobacco leaf. This soft, stylish, St.-Emilion-like offering should drink nicely for a decade.
