

THE STORY Following more than 30 years adapting farming practices to the mountain climate and terrain around the winery, we are pleased to produce this wine from several vineyard blocks yielding fruit of mature character and balance. The heart of this wine is Cabernet Sauvignon grown on steep, west facing terraces that rise above the early renowned Wedding Vineyard, reaching a towering elevation of 1,400 feet. Other contiguous vineyard blocks incorporate a great diversity of soils and exposures, providing additional complexity and unmistakable mountain terroir.

THE WINE

- 100% Cabernet Sauvignon
- Aged 23 months in 100% new French oak
- Alcohol by volume 14.1%
- Bottle date: September 2008
- 700 cases produced

WINERY TASTING NOTES “If the 2005 vintage was the delicate and ever so elegant Audrey Hepburn, this 2006 is Marilyn Monroe. Gorgeous black cherry opaque color in the glass; one truly is struck by the dark depths of this wine even before the first sip. Flavors of cassis, blackberry and dark cacao mingle with aromas of black fruit, cedar and black olive. The 2006 is an astonishing vintage that continues to reveal its flavors with increasing intensity culminating in a layered crescendo of fine grain tannins, blackberry and dark chocolate espresso. This is a powerful, seductive wine that benefits from decanting up to three hours ahead of serving.”

-Whitney Fisher, Winemaker
