

#### THE STORY

Cameron is named after the youngest member of the Fisher Vineyards family, Cameron Nelson Fisher, and appropriately comes from our younger vines ranging from 6 to 10 years of age on our Napa Valley Estate at the foot of the Palisades Mountains in Calistoga. We are proud to present a blend of the powerful precocious wines made from these vineyards, with an overwhelming sense of exuberance that is ready to impress!

#### THE WINE

- 83% Cabernet Sauvignon, 17% Malbec
- Aged 20 months in French oak barrels (85% new)
- Bottled unfiltered and unfiltered
- Bottled June 2012
- 170 cases produced

#### WINERY TASTING NOTES

Exuberant and youthful, the 2010 Cameron has generous aromas of milk chocolate, Bing cherry, raspberry and hazelnut oak spice. The palate is supple and smooth with finely integrated tannin, opulent flavors of plum and cherry. Classic Cameron Vineyard at its finest, just beautiful and eminently drinkable.

~ Whitney Fisher, Winemaker
