

UNITY

CABERNET SAUVIGNON

PHILOSOPHY

Certain world-class wines are defined by a single vineyard source, made unique by its particular, singular environmental conditions including soil and climate...

...Others echo a broader range of tones reflective of several sites, carefully chosen and woven together demonstrating the art of blending wine produced from more than one site, estate or appellation.

While Fisher Vineyards continues to build on the family's first generation successes that embrace the former philosophy, our second generation sets out to explore the latter in UNITY.

MISSION Sourcing from small family growers committed to sustainable farming practices, produce a wine that draws on the individual strengths of several vineyard sites to create a single harmonious effect that reflects the strengths of the region each vintage.

VALUES Much as this wine brings together a variety of components to have a single, powerful effect, it also brings together a set of unique values: shared time to celebrate life with family and friends; healthful commitments to ourselves, our communities and the land for which we care; flavors of local foods and the culture of food stories.

THE WINE

COMPOSITION	2012 80% Napa County / 20% Sonoma County
BLEND	75% Cabernet Sauvignon 10% Merlot 9% Cabernet Franc 4% Malbec 2% Petit Verdot
SOURCES	Calistoga, Northern Napa Valley Floor Mayacamas Mountains, Eastern Sonoma County Atlas Peak, Vacas Mountains of Eastern Napa
PRODUCTION	Produced & Bottled by Fisher Vineyards
BOTTLE DATE	Spring 2013
WINE MAKER	Whitney Fisher

PRODUCER

The Fisher Family has been growing and producing wines in both Napa Valley and Sonoma County since 1973. Founded by Fred and Juelle Fisher, Fisher Vineyards today finds youth and new dedication in the second generation that includes three siblings: Whitney, Robert and Cameron. UNITY is the result of our entire family working together; as a wine, it demonstrates our continued dedication to quality from one generation to the next.

TASTING NOTES

Alluring from the start, this Cabernet boasts intense aromas of red cherry and plum, accented by tones of cedar and black olive. Smooth on the palate, UNITY is layered with

flavors of cherry, milk chocolate and hints of delicate rosemary. The 2012 finishes with medium-bodied, fine-grain tannins that lend immense drinkability (many of us at the winery have brought home a bottle only to be amazed at how fast it disappeared)!
