

THE STORY

Cameron is named after the youngest member of the Fisher Vineyards family, Cameron Nelson Fisher, and appropriately comes from our younger vines ranging from 6 to 10 years of age on our Napa Valley Estate at the foot of the Palisades Mountains in Calistoga. We are proud to present a blend of the powerful precocious wines made from these vineyards, with an overwhelming sense of exuberance that is ready to impress!

TASTING NOTES

Fisher's 2013 Cameron Red Wine is flat-out delicious. Dark red cherry, plum, smoke, tobacco, leather and cedar are all super-expressive in the glass. Drink this exuberant, racy red over the next handful of years. This is an especially ripe, forward wine for the year, but I doubt that will be too much of an issue for a wine that is meant to be enjoyed on release. There is no shortage of near term appeal here.
